Reunion of Our Soldier Boys

The people of Virginia will be presented with a captured German cannon during the annual reunion of the Eightieth Division, which will be held in Richmond the three days commencing September 4th, and the field piece will be placed in the Capitol Square. The presentation, which will be made by Governor Westmoreland Davis, will feature the memorial services to be held Sunday afternoon, September 5th, at the City Auditorium.

Veterans of the Blue Ridge Division from Virginia, West Virginia, Pennsylvania, and other States attending the reunion will devote practically all of Sunday in paying tribute to the memory of their comrades who fell in action while with the division, or who died with the command while in service.

Special services will be held in all Richmond churches on Sunday morning, and the veterans will attend those at the church of their choice. In the afternoon will come the big memorial service, which will be held in the City Auditorium and participated in by a number of prominent people. It will be during these services that the captured cannon will be presented to the people of Virginia, and unveiled by the sisters of two of the service men who lost their lives in action.

Reunion headquarters in Richmond have placed the order for badges to be presented to each veteran attending the convention. They are different from the old ribbon-type, and have space for the name of the individual, enabling easy recognition. After the reunion, the metal frame can be easily removed from around the bronze medal, leaving an attractive pocket-piece and souvenir of the occasion.

Arrangements for entertaining the veterans, including the receptions and balls to be given in their honor, have been practically completed by a group of Richmond women who were so active in entertaining and looking after the needs of the eightieth Division boys during the ten months that they were in training at Camp Lee.

Buckingham

The continued rains have again washed away the bridge at North river, which had just been put in place since the last freshet; and then, too, the bridge at Bremo has again been injured and traffic over the branch line impeded again. Slate and North rivers were higher at this point than they were two weeks ago.

Mr. Neil McKay, of Tunstall's, was a visitor in the home of Mr. W. W. Haskins the past week-end.

The death of Mrs. C. R. Rosen was not a surprise to those who knew her best. Mrs. Rosen was before her marriage a Miss Showalter, of Augusta county. She was 72 years old and was esteemed by all who knew her.

Rev. Stimson and family have returned from a visit to North Carolina, and while away had the misfortune to have their Ford car stolen in Winston-Salem.

A large number of crops of Irish potatoes remained in the ground and were damaged by the excessive wet weather.

The question is often asked if corn on lowlands that was twice covered with water in less than a month will ever make good merchantable corn. The state of the weather from now on will have a great deal to do with determining whether the corn can be used. I know of one farmer whose house is near his flat land and he is getting the wet corn out and feeding it to his stock.

Mr. Peyton Moss left here Sunday morning for Farmville on his way to North Carolina, where he expects to take charge of a school.

Maysville District School-board was in session here on August 23rd and elected the following teachers: Principal Buckingham high school, Prof D. N. Davidson; first assistant in high school work, Miss Margaret Collier, other positions in Buckingham high school, Misses Nettie and Mabel Swoope, Miss Cora Wood; for teachers in rural schools, Miss Minnie Rogers, Misses Lizzie Stinson, Livie Spencer, Eddie Carter, and Kathleen Morgan Maysville board of trustees voted for Misses Gillespie and Coleman at the Enonville school. This is a border school and the teachers are elected by three district boards as follows: Francisco, Curdsville and Maysville.

Mrs. E. M. Bondurant was painfully hurt by a fall down the cellar steps at her home last week and she was attended by Dr. P. E Tucker.

Mrs. Emma J Ragland, who has been so faithful in her attendance on Miss Mary E. Moss while she had fever, expects to leave for home of relatives near Gold Hill in the near future.

Primings are said to be starting at a price that will not pay for the labor expended in preparing them for market.

Circuit court opens here in regular session on September 14th.

There was no incoming mail here from Bremo or Wingina on Saturday.

Mr. J. M. Seward was here seeing after his property last week; he is located out West, where he is cultivating a rice crop. We lost a valuable public spirited man and a good citizen when he left here.

Mr. John Fitzpatrick, of Nelson County, was in this county not long ago looking after cattle for future delivery.

Evergreen

The sun is really shining and we hope the so called dog days are over.

Harvey's Gate and Evergreen crossed bats on Evergreen diamond Saturday afternoon, 12 innings being played to a score of 8 to 6 in favor of Evergreen. An error or two by Harvey's Gate shortstop gave Evergreen the game. Franklin did his best in the box and pitched a good game, but did not get the right support. Hurrah for Evergreen! She is on the right road to success. This is her first game.

Miss Madian Lee is visiting her sister, Mrs Aubrey Browning, in Richmond

Miss Sadie Snell, who has been visiting friends in Crewe, has returned to her home here.

Rev A. K. Lambdin is conducting a revival at Wesley Chapel this week.

Rev. A. J. Ponton, will assist Rev Mr. Leps in a meeting here this week.

Miss Lucile Moses is visiting friends at Phenix this week.

Mrs J. R Conner has returned from a pleasant visit to her aunt, Mrs. J. J. Durrum, of Appomattox.

Miss Ida May Farrar, who has been at the bedside of her aunt, Mrs. Sam Farrar, of Tuggles, has returned to her home here. We are sorry to hear of Mrs Farrar's illness and hope she will soon be restored to health.

Miss Eunice Inge, of Roanoke, is the guest of Mrs J R. Conner this week.

Mr. Alban Staples, of Lynchburg, is visiting his home people here.

Cloverdale Farm, Lynchburg

Misses Mary and Ruby Harris, and Mr. Terry, of Lynchburg, were week end guests of Mr. and Mrs. R H Snead, also Mr. and Mrs. James Leftwich and Mr. Russell Martin, of Forest. They all enjoyed the birthday dinner of Mrs. Snead and her son. Cake of many kinds, ice cream, fried chicken, vegetables and all kinds of fruits were plentiful. The day was spent in social chats and taking pictures. The party spent Saturday night and Sunday at Peaks of Otter, all had a grand time.

Crops are good in this vicinity, but suffering somewhat from the long wet spell.

R F. Burke, county treasurer, appeared before the Board and made his annual settlement with the Board and returned canceled warrants, jury tickets and other proper vouchers paid by him since his last return of warrants, etc, aggregating $4746 99, and submitted his settlement sheets, showing a balance in his hands of $11,242.37 due to the county fund, which settlement sheet, being examined and found correct, the same is approved and ordered to be recorded, as required by law.

It appearing to the Board that O J. Webb, purchaser of the old county poor house farm, has not complied with the terms of the sale, or made a settlement as proposed to him by resolution of this Board at its meeting of July 14, the Commonwealth's Attorney is directed to at once take such legal proceeding against said O J. Webb as will enforce a compliance with the terms of said sale; and the Clerk of the Board is directed to forthwith transmit a copy of this order to the Commonwealth's Attorney for his attention.

At a called meeting of the Board held at Clerk's office August 23:

The Board met to make an inspection of the site and make some arrangements for crossing North's creek, the bridge across which was destroyed by the heavy rains on the night of August 19, and viewed the site of said bridge together with Mr. Elliott, the resident highway engineer of Lynchburg district, and made temporary arrangements for crossing said creek.

The accounts of F A O'Brien as land assessor and C W. Smith, assistant land assessor, were presented to the Board, and examined and approved and ordered certified to the Auditor for payment, as provided by law

The Board then adjourned to meet in regular session on September 8.

Egg-Eating Snakes.

A queer African species of snake, which lives on eggs, has a toothlike spike projecting downward from its backbone, just behind the head, which is tipped with enamel. When it swallows an egg the latter passes down the gullet until it encounters the spike, which breaks the shell. Thus no part of the fluid contents is lost, as would be the case if the snake were obliged to bite the egg with its mouth-fangs

Alloy Stronger Than Steel.

An Italian engineer has discovered a new alloy of zinc and copper which is stronger than steel and less corrosive than copper, says the Scientific American. The most important characteristics of the new alloy, which has been named "Black Metal," are the highest known breaking point, the highest limit of elasticity, perfect homogeneity and higher resistance to both heating and chemical action. It has been stated that it can successfully be cast, machined, rolled, forged, drawn and stamped. It is expected that it will prove an acceptable substitute for steel, brass and aluminum.

Ground Ice.

A professional paper of the United States geological survey on the Canning river region, in northern Alaska, describes the occurrence of ground ice in that region and reviews the literature of ground ice in considerable detail. The author concludes that the two varieties of ground ice most common in northern Alaska are formed by the burial of river ice by sediments and by the growth in place of vertical ice wedges.

Where She Might Shine.

Mrs. Tonsils—You've heard my daughter sing. Don't you think she's about ready for a public appearance?

The Impresario—Certainly, madam. I thought as I listened to her what a fine movie actress she'd make.

A Bachelor's Prayer

Backward, turn backward, O Time, in your flight!
Give us a maiden with skirts not so tight;
Give us a girl whose charms, many or few,
Are not exposed by much peek a-boo.
Give us a maiden, no matter what age,
Who won't use the street for a vaudeville stage;
Give us a girl not so sharply in view;
Dress her in skirts that the sun won't shine through.
Then give us the dances of long gone by;
With plenty of clothes and steps not so high;
Oust turkey-trot capers and buttermilk glides,
The burdy-gurd twist and the wiggletail slides;
Then let us feast our tired optics once more
On a genuine woman as sweet as of yore.
Yes, Time, please turn backward and grant our request
For God's richest blessing—but not one undressed.

—Wyoming Mountaineer.

Catarrhal Deafness Cannot Be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure catarrhal deafness, and that is by a constitutional remedy. Catarrhal Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result. Unless the inflammation can be reduced and this tube restored to its normal condition, hearing will be destroyed forever. Many cases of deafness are caused by catarrh, which is an inflamed condition of the mucous surfaces. Hall's Catarrh Medicine acts thru the blood on the mucous surfaces of the system.

We will give One Hundred Dollars for any case of Catarrhal Deafness that cannot be cured by Hall's Catarrh Medicine. Circulars free. All Druggists. 75c.

For Torpid Liver

"Black-Draught is, in my opinion, the best liver medicine on the market," states Mrs. R. H. Whiteside, of Keota, Okla. She continues: "I had a pain in my chest after eating—tight, uncomfortable feeling—and this was very disagreeable and brought on headache. I was constipated and knew it was indigestion and inactive liver. I began the use of Black-Draught, night and morning, and it sure is splendid and certainly gives relief."

Thedford's BLACK-DRAUGHT

For over seventy years this purely vegetable preparation has been found beneficial by thousands of persons suffering from effects of a torpid, or slow-acting liver. Indigestion, biliousness, colic, coated tongue, dizziness, constipation, bitter taste, sleeplessness, lack of energy, pain in back, puffiness under the eyes—any or all of these symptoms often indicate that there is something the matter with your liver. You can't be too careful about the medicine you take. Be sure that the name, "Thedford's Black-Draught," is on the package. At all druggists.

Sad Drowning

The hearts of the people of our village were shocked and grieved when on last Thursday he sad intelligence was received here of the tragic death of Julian Braxton Gills. He was one of a house party at Gillaby, where his brother, James, who was married only a few week before, had leased a cottage.

While diving, with others, from a barge on New river, he was drowned, in spite of heroic efforts to rescue him. Quitman Gills, a youth of fifteen years, lost his life in a vain attempt to rescue him.

Julian had just passed his twentieth birthday and was a perfect specimen of young manhood. He graduated from Appomattox Agricultural High School in the class of 1918. Afterwards he attended Virginia Military Institute until he was forced to leave on account of his eyesight. It was on this account that he accepted the out-of-doors position with the Appalachian Power Company, which he held at the time of his death.

Julian was the son of Mr. and Mrs. E. E. Gills who, with the following brothers and one sister—Robert, James, Teddie, and Louise Gills—survive to mourn his death.

His grave was beautified with many lovely flowers, tributes of love from many friends. His remains were shipped here for interment, where he was buried

Our readers miss the bright and breezy news letters of our Hixburg correspondent. We hope he will soon see fit to "take his pen in hand" and resume his duties as a correspondent of the county paper.

Appomattox is in danger of losing her popular blacksmith and wheelwright, D. R. Puckett, as he says he cannot find a location here for his business; the present owner of the lot where he is now located is going to fence in the property

The continued rains have greatly interfered with work on the new Appomattox tobacco factory, though Contractors Brown & Smith have made remarkable progress with the work, considering the adverse circumstances.

Twenty four cases were before Justice T. W. Moses on Saturday for not having their dog license on or before July 1. All carried fines and cost of $10.25 C A. Hancock appealed his case to the circuit court. The officers are enforcing the law as directed by the attorney-general.

Sugar is retailing at 15 cents pound in the city of Washington, and the decline is general throughout the United States. Jobbers who hogged the market and bought heavily some months ago are forced to sell at a loss, and rightly, since it was bought with the intention of fleecing the public on the then rising market. Ten-cent sugar is predicted before the end of the year.

Twenty of our citizens became guarantors for a grand Chautauqua for Appomattox this fall. There will be six entertainments and season tickets are now being sold for $1 50 for adults and $1.00 for children. This is the very highest class of entertainment that could come to any town and we congratulate the people of Appomattox in having twenty citizens who are willing to provide such a program.
